52 Week Money Challenge · Backwards

Start at $52, down $1 a week
Year total $1,378

This goal is called _____ Starting the week of _____ I put money in every _____

> The order matters less than the total — **miss a week and you can tick it later.** No starting over, and no need to go in order.

Print as many as you like · Free, no sign-up

Why backwards — the heavy weeks sit at the start while motivation is high, and December runs $1 to $5 a week

Total $1,378
